

**XVIII OPEN CATALONIA INTERNATIONAL
PITCH & PUTT
bonÀrea P&P – 24th-27th April 2025**

With the objective of organising a successful International Open which will be celebrated on April 24th - 27th of 2025, at the bonÀrea Pitch & Putt course in the town of Guissona, Lleida.

The Tournament Committee has established a preliminary pre-inscription date of 17th March 2025 in order to ascertain the approximate number of participants attending the tournament, especially those from other FIPPA associations. This will allow the organising committee to estimate the potential dimension of the event. The definitive **closing date for inscriptions is March 24th 2025.**

Those players, pre-inscribed, will have first preference and will be allocated guaranteed participation assuming they comply with the prerequisite norms applied to the competition. In case a FIPPA member association exceeds the suggested limit of available places, every effort will be made to accommodate those players in the likely event of vacancies from other FIPPA member organisations.

PARTICIPANTS

The initial regulation for inscriptions is:

15 players per member organisation of FIPPA.

75 players reserved for affiliated playing members of the hosting member FCPP.

10 players reserved on behalf of the organising committee.

The Catalan Federation of Pitch & Putt will determine which Catalan players will have direct placement based on the most recent Catalan championships and the current Ranking League. Subsequent places for local participants, if the demand for spots is lower than the available spots, will be determined through an open qualifying competition to allow all interested individuals the opportunity to attend the Open. The qualifying competition will take place on the 11th, 12th, and 13th of April 2025. There will be no qualifying competition for Catalan players if the number of available spots exceeds the spots allocated to Catalan players.

The international competition itself will be held on the , 25th 26th and 27th April with a total of 216 participants. There will not be a “cut”.
